

## A message from the STB Stewardship Council.....

Over the past several weeks, we hope that you have enjoyed sharing your blessings on the Blessing Tree, learning about the faith formation and service opportunities at St. Boniface, and listening to your fellow parishioners share their experiences of how their faith lives have been changed through their commitments and participation.

Now it's time for all of us to consider how we might make a difference in our parish during the coming year. Whether you are making a new commitment to become more involved in our parish family and community service or recommitting to an activity that you have supported for years, we ask you to share those commitments here and return the forms in the collection basket or to the parish office.

We look forward to sharing the information with you in the near future.

May God bless you and thank you for the blessing you are to Saint Boniface Parish.

Sincerely,

Cindy Clark, Kristi Hyten, Jenny Milburn,  
Steve Miller, Brad Serfas, Nate Vuagniaux,  
and Fr. Jeff Goeckner

*We ought always to thank God for you, brothers and sisters, and rightly so, because your faith is growing more and more and the love of all you have for one another.*  
2 Thessalonians 1:3
