**\*\*Safe Environment/Personal Safety Video\*\***

Our diocese requires all students in grades K-8 in our schools and PSR programs be offered Safe Environment training sessions each year. The PSR program trainings are based on professional video publications selected by the diocese focusing on personal safety at all grade levels. Each grade level has an age appropriate approach and video presentation facilitated by the catechist. These trainings are designed to help our students understand how to keep themselves safe. The Safe Environment personal safety videos are presented as part of the regular class time on various Wednesdays in the spring, and take approximately 30 minutes. Alternate classroom space with lessons is available during the training if you choose not to have your child participate.

\_\_\_\_\_ **I Give My Permission** \_\_\_\_\_ **I Do Not Give My Permission** for my child to participate in the Personal Safety Training Session.
