

Holy Week

2020

"WE'RE NOT CANCELLING HOLY WEEK. IT CAN NEVER BE CANCELLED. IT'S HOLY WEEK!"

These are unprecedented times. Now, more than ever, we are called to bring the Church into our homes, to enter into a Spiritual Communion with, and to celebrate and honor the sacrifice of our Lord, Jesus Christ.

Join in prayer as a family during this coming week, knowing that our brothers and sisters in Christ are doing the same around the world. Though we cannot physically be together right now, remember that as the Faithful, we will always be one Body in Christ.

Ideas on how to incorporate new family prayer opportunities into your Holy Week tradition are below.
